

CPT® Proprietary Laboratory Analyses (PLA) Codes: Medium Descriptors

It is important to note that further CPT Editorial Panel (Panel) or Executive Committee actions may affect these codes and/or descriptors. For this reason, code numbers and/or descriptor language in the CPT code set may differ at the time of publication. In addition, further Panel actions may result in gaps in code number sequencing.

Most recent changes to the CPT® Proprietary Laboratory Analyses (PLA) Medium Descriptor document:

- Revision of 2 codes (0095U, 0365U), deletion of 5 codes (0346U, 0380U, 0428U, 0448U, 0456U) and addition of 10 codes (0521U–0530U) accepted by the CPT Editorial Panel.
- Update clinical laboratory name for codes 0301U, 0302U by adding “,” after “Diagnostics”.
- Deleted codes in this document appear with a ~~strike through~~.

*Please note there has been no change to the medium descriptor for codes 0047U, 0118U, 0301U, 0302U, 0351U, 0407U, 0440U, 0465U.
